## King platform bed sets with storage

Shop Bedroom Collection Bedroom Furniture Ashley HomeStore Create the restless retreat you deserve with Ashley bedroom furniture and décor. Your master bedroom should be a safe space to relax and relax after a day's work - and that includes a bedroom set that makes day-to-day living as easy as it is stylish. We have bed & mattress bundles that make guesses out of equipping your bedroom once and for all. What is the best color for the bedroom? Finding the right shade for the bedroom walls is a personal decision, of course, but no colors are off limits! Many interior designers turn to dark colors with warm undertones (yes, even black - especially black!) as an accent wall or two for a pleasant atmosphere. It accentuates all modern bedroom décor that have gold or silver metal finishes or even wall art that has a gorgeous sheen. If dark colors are not your thing, lighter blues, purple and gray all encourage rest and relaxation. What materials and textures work best for the bedroom? Anything that combines relaxation and self-expression together are very encouraged for the bedroom. Whether you opt for rich wooden grain bed & bed frames, or you prefer a classier, stitched look, both work depending on your intended trend and style. Your master bedroom furniture should illustrate what you love looking at and the things that inspire you. As you mix and match the wooden furniture in the bedroom for the ultimate bedroom makeover, consider integrating wooden furniture into the bedroom in your space. Why? Many times, tonal variations and grain in the wood creates eye-catching glamour in your bedroom that you will love to admire in moments of relaxation. Ashley has many wood finishes that you can choose from - different from light wood bedroom furniture to darker stains - so your style can shine through in your space every day for years to come.
